Memo

Docket no 647/599 dated 9th February 1897 from the Dy Comr of Chitaldurg stating that in anticipation of sanction an impress of Rs 100 has been given to the Treasury Asst Comr from L. F. General, ~~has been~~ in the file about Impresto to Amildars from D. F In the order finally passed as regards D. F Impresto, the Comptroller was ~~requested~~ requested to give his opinion as to the possibility of allowing any impress from L. F General. This order has not been issued. After the issue of the draft, may the Dy Comr be asked to furnish the information called for in that order in reply ~~accompanying~~ the memo.

Extract from Asst B

~~Ian~~ ~~coordinated~~

The information called for in the map of Turtle Valley came from the impression was granted more than 2 months ago, and has now to be approved by Govt. - Put up a short order of approval.

Subd to Secy.

Imprests are required from L. F. Genl, equally with Dc Funds. The Comptroller does not suggest any sum to be given as imprest. The Dy Commrs who have given imprests, do not agree in the amounts to be given.

In the majority of cases, an imprest of 200 Rs would be ample. This may accordingly be followed as a general rule.

31/12/97.

No direct Grant is ancillary to any grant from L. F. Gl. Nor are such grants made every year as a matter of course. No permanent imprest from L. F. Gl seems therefore feasible. Whenever grants are actually sanctioned, the Dy Comrs may be authorized to place a portion of it as an imprest in the hands of Assistant & Dy Assistant Commrs. It is not possible to fix the amount which must actually vary with the

called of the grant.
A sum not exceeding
one tenth of the total
grant may be dis-
tributed among said
-tees by Auditor
according to their
requirements, the maxi-
-mum in no case
exceeding $200.
